

UNITED STATES DISTRICT COURT
MIDDLE DISTRICT OF PENNSYLVANIA

Al's DISCOUNT PLUMBING,

v.

VIEGA LLC

1:19-CV-00159-CCC

WITHDRAWAL OF OBJECTION

Steven F. Helfand filed an *objection* to the class action settlement. It is Helfand's position that he is a class member and had standing to object. Helfand believed that a particular tool, also made by *Viega*, and purchased by Helfand, was part of the settlement as well; in addition to the relevant fitting(s). Because Helfand only purchased one *Viega* fitting, along with the tool; his limited purchases from *Viega* do not warrant either participation in or *objection* to the proposed settlement, given this settlement is geared towards more bulk purchasers, with significant purchases from *Viega* of corresponding fittings. As such, Helfand's *objection should be withdrawn*. No parties have made any promises of any kind, or offered any form of consideration to Helfand for the withdrawal of this *objection*.

This information is submitted under penalty of perjury pursuant to the laws of the United States of America and the State of California. It is executed in Broward County, Florida.
